Definition of Key Decisions

In accordance with The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, this document serves as Selby District Council's notification of key decisions and private items. There is a legal requirement for local authorities to publish a notice setting out the key decisions and decisions which may be taken in private 28 clear days before such decisions are taken.

It contains details of decisions for the next four months and is supplemented by the publication of the agenda 5 clear working days before the meeting. It will be updated and published at the end of each month. All items listed on the attached Plan are key decisions and those which are private items are outlined as such.

A Key Decision is any decision which is financially significant for the service or function concerned because it relates to expenditure or savings of more than £150,000 or which will have a significant impact on people who live and work in an area covering two or more district wards.

If you would like further information on any of the items shown in this forward plan please contact the respective officer(s) for each item.

To make your views known on any of the items you may contact the Councillors shown; alternatively you may contact the officer(s) shown and he/she will ensure that a written note of your views is presented to the decision-maker before a decision is taken.

All meetings* at which key decisions will be considered are open to the public, unless the subject matter is such that Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) Order 2006 allows the matter to be considered in private. For information about attending meetings or for a copy of the Forward Plan, please contact Palbinder Mann, Democratic Services Manager on 01757 292207 or pmann@selby.gov.uk. A copy is also available at the Council's website, www.selby.gov.uk
