

### **Agenda note - Item 13**

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 states that a Council needs to 28 days notice of a Key Decision.

In respect of item 13 in the agenda for the Executive meeting on 1 November, it has been impracticable to do so. This is because the requirement to seek a decision on the matter from the Executive was not known at the time the notice of Key Decisions was issued.
