

**The following key decision has not been included on the Forward Plan and will be considered at the 8 January 2015 Executive meeting. The reasons for the decision being taken at short notice are outlined below:**

**The Chair of the Overview and Scrutiny Committee has been informed.**

### **Selby Leisure Centre**

The decision to allocate funds from within existing budgets is within the budget and policy framework of the Council and is a decision that can be taken by the Executive. However as it has arisen at short notice and is a key decision not on the forward plan, the provisions of Executive Procedure Rule 5.5 must be followed. The reason this report is urgent and cannot be deferred until February is in accordance with the Council's Financial Procedure Rules which require the shortfall in budget for the leisure centre to be reported to the Executive immediately.

**Additionally, item 8 – Housing Management System Replacement was included in the Forward Plan, however it was not listed as a key decision. Upon final consideration of the matter, it has been decided to list the report as one requiring a key decision. The Chair of Scrutiny Committee has been informed.**
