Date: Tuesday 11 April 2017

Time: 6.30pm

To: Roy Wilson (Chair), Jenny Mitchell, David Nicklin, Jenny Prescott and Rita Stephenson.

1. APOLOGIES FOR ABSENCE

2. DISCLOSURES OF INTEREST

A copy of the Register of Interest for each Selby District Councillor is available for inspection at www.selby.gov.uk.

Board members should declare to the meeting any disclosable pecuniary interest in any item of business on this agenda which is not (in the case of Selby District Councillors) already entered in their Register of Interests.

Board members should leave the meeting and take no part in the consideration, discussion or vote on any matter in which they have a disclosable pecuniary interest.

Board members should also declare any other interests. Having made the declaration, provided the other interest is not a disclosable pecuniary interest, the member may stay in the meeting, speak and vote on that item of business.

If in doubt, Board members are advised to seek advice from the Monitoring Officer.

3. MINUTES

9. DISCLOSURES OF INTEREST

There were no disclosures of interest.

10. MINUTES

The Sub Committee considered the minutes of the meeting held on 11 October 2016.

RESOLVED:

To confirm as a correct record the minutes of the Funding Sub-Committee meeting held on 11 October 2016.

11. FUNDING FRAMEWORK

The funding framework had been circulated with the agenda, and was noted.

12. FUNDING APPLICATIONS RECEIVED

12.1 – The Monday Club (Selby)

The application was for £500 and had been made to three other CEFs. If successful the grant would be used to maintain and expand the Monday Club in Selby, which was a volunteer-run organisation providing a fortnightly social meeting for people with learning and/or physical disabilities.

The Sub-Committee considered the application against the funding framework for small grants. Although supportive of the organisation, the Sub-Committee agreed that there was insufficient evidence that the application met the requirements of the funding framework, specifically in relation to:

- How the project benefits the CEF area including residents of the area; and
- That funding would have extensive and detailed benefits for one or more defined groups (not an individual) in the CEF area.

The Sub-Committee suggested that the applicant be invited to a future meeting to provide more detailed information about how the grant would benefit the Western CEF area.

RESOLVED:

To defer a decision on the application, pending further information from the applicant as to the specific benefits for the residents of the Western CEF area.

Reasons for decision:

The application did not demonstrate sufficient benefits for the residents of the Western CEF area, this being a requirement of the funding framework.

12.2 – Age UK Selby

The application was for £5,000 and had been made to four other CEFs. If successful the grant would be used towards the cost of purchasing a building in Selby for use by Age UK Selby. It was explained that the lease on the current premises was due to end in December 2017, and the organisation was looking to relocate where there would be greater foot-fall. The application confirmed that the new premises would become a hub for local people, including being able to provide group activities, welfare rights advice, a laundry and a tearoom.

The Sub-Committee considered the application against the funding framework for projects. Although supportive of the organisation, the Sub-Committee agreed that there was insufficient evidence that the application met the requirements of the funding framework, specifically in relation to:

- How the project benefits the CEF area including residents of the area; and

- That funding would have extensive and detailed benefits for one or more defined groups (not an individual) in the CEF area.

The Sub-Committee suggested that the applicant be invited to a future meeting to provide more detailed information about how the grant would benefit the Western CEF area.

RESOLVED:

To defer a decision on the application, pending further information from the applicant as to the specific benefits for the residents of the Western CEF area.

Reasons for decision:

The application did not demonstrate sufficient benefits for the residents of the Western CEF area, this being a requirement of the funding framework.

12.3 – Children’s Reading Festival

The application was for £3,000 and had been made to four other CEFs. The grant, if successful, would be used to purchase books for a reading festival for children to be held between 23 and 25 March 2017 at the Selby Abbey. The application confirmed that children from the Western CEF area would be invited to attend, and that admission would be free. Each child would be provided with a book, free of charge, and would be able to meet the author of that book. The application also confirmed that, out of the target 987 children across the district, sufficient funds had been raised to accommodate 500 children and the applications to the various CEFs would allow the target of 987 to be realised.

The Sub-Committee considered the application against the Funding Framework for projects and confirmed that the application met the necessary criteria, specifically:

- The application met at least two of the objectives in the CDP (Leisure, Sense of Community and Improving Local Services).
- There would be extensive and detailed benefits for one or more defined groups within the CEF area.
- There was evidence of a high level of need and community consultation.

However, the Sub-Committee agreed that £2,000 would be an appropriate grant, given the remaining CEF funds. The Sub-Committee also requested that the grant be conditional on all schools in the Western CEF area being invited to take part.

RESOLVED:

(i) To recommend that the Partnership Board approve the funding application but for the lower amount of £2,000; and

- (ii) **To recommend that the grant be conditional on all schools within the Western CEF are being invited to participate.**

Reasons for decision:

The application met the CEF funding framework for project applications, but the Sub-Committee felt that £2,000 would be sufficient to deliver the stated aims of the application.

12.4 – Hillam and Monk Fryston Community Sports Association

Steve Sadler, from the Hillam and Monk Fryston Community Sports Association was in attendance, and presented the application. The application was for £5,000 towards the cost of preparing a feasibility study into the ‘Healthy Hub & Spokes’ concept. This would help bring together a number of community sports and healthy activity projects in the Hillam and Monk Fryston areas. The applicant had previously given a presentation to the CEF Partnership Board about one element of the project; to bring together the existing cricket and football clubs into a shared community facility. The project had since been expanded to include the development of a ‘virtual sports network’ for sports, games and other community activities.

It was confirmed that the CEF funding, if granted, would enable the group to employ external advisors to help access additional funding sources. The Sub-Committee agreed that this approach was necessary due to the size of the project. In addition, the Development Officer confirmed that his advice and the advice of Inspiring Health Lifestyles had been to employ external support.

The Sub-Committee considered the application against the Funding Framework for projects and confirmed that the application met the necessary criteria, specifically:

- The application met at least two of the objectives in the CDP (Leisure, Sense of Community and Improving Local Services).
- There would be extensive and detailed benefits for one or more defined groups within the CEF area.
- There was evidence of a high level of need and community consultation.

RESOLVED:

To recommend that the Partnership Board approve the funding application for £5,000.

Reasons for decision:

The application met the CEF funding framework for project applications.

12.5 – Sherburn in Elmet Teasel Community Interest Company

Councillor David Buckle was in attendance and presented the application, which was for £5,000 towards the costs of establishing a Craft and Food festival in Sherburn in Elmet. The project had been developed following the relocation of the long-established Cawood Craft Festival, and would draw upon the experiences of ‘Cycle Saturday’ which was held in 2016 when Sherburn in Elmet welcomed the Tour de Yorkshire.

It was confirmed that the project was progressing well and had received support from Selby District Council, Welcome to Yorkshire and Wakefield Metropolitan District Council. If granted, the funding from the CEF would be a contribution to the initial funds needed to kick-start the project formally. Councillor Buckle advised that the aim of the CIC was that the festival would be self-sufficient in year two, and that it could even generate a profit which would be reinvested into community projects. It was confirmed that the CEF could have a role in this.

The Sub-Committee considered the application against the Funding Framework for projects and confirmed that the application met the necessary criteria, specifically:

- The application met at least two of the objectives in the CDP (Leisure, and Sense of Community).
- There would be extensive and detailed benefits for one or more defined groups within the CEF area.
- There was evidence of a high level of need and community consultation.

The Sub-Committee was supportive of the project, but felt that a grant of £3,000 would be more appropriate taking into account the remaining funds available to the CEF and that the CIC had requested a contribution to the initial costs.

RESOLVED:

To recommend that the Partnership Board approve the funding application but for the lower amount of £3,000.

Reasons for decision:

The application met the CEF funding framework for project applications, but the Sub-Committee felt that £3,000 was sufficient as the amount request was only a contribution towards the total cost of the event.

12.6 – Fairburn Community Café

The Democratic Services Officer explained that this application had been received after the agenda had been published. In accordance with the procedure for dealing with late applications, the CEF Chair had consented to the application being considered due to it relating to a project that the CEF had previously

identified and there being a considerable time until the next Sub Committee meeting.

The application was for £1,520 towards the cost of establishing a Community Café for the Fairburn parish. The Café would be run by volunteers on a weekly basis. Visitors would be charged £1.50 for refreshments and would be able to access information about local services and community groups.

The application was broken down into two parts; £770 to cover the initial start-up costs and the first 13-week running costs, and a further £750 for the remaining three 13-week periods.

The Sub-Committee considered the application against the Funding Framework for projects and confirmed that the application met the necessary criteria, specifically:

- The application met at least two of the objectives in the CDP (Leisure, Sense of Community and Improving Local Services).
- There would be extensive and detailed benefits for one or more defined groups within the CEF area.
- There was evidence of a high level of need and community consultation.

The Sub-Committee agreed that the grant should be paid in two parts, with £770 paid initially and the remaining £750 upon the successful establishment of the Community Café.

RESOLVED:

To recommend that the Partnership Board approve the funding application but for an initial grant of £770 with the remaining £750 payable upon completion of the first phase of the project.

Reasons for decision:

The application met the CEF funding framework for project applications, but the Sub-Committee felt that only an initial amount was required to start the project.

The meeting closed at 6.20pm

Allocation of Funding Framework

All funding applications will be considered by the CEF Partnership Board and their recommendation will then be authorised by Selby District Council to ensure the following:

- There has been a logical and justifiable allocation of funds.
- The application meets all necessary criteria including personal identifying checks for the purposes of detecting fraud.
- The decision is compliant with the Council's Constitution and legal framework.

If a CEF Partnership Board has set up a Funding Sub Committee, the Sub Committee may make an initial recommendation to the Partnership Board who must then make a final recommendation which will be authorised by Selby District Council.

How often can organisations apply?

If an organisation has been granted funding they cannot apply again for the same application or project for another 2 years. They may apply for funding for another application or project but they must be able to demonstrate that it is a completely separate application or project to the one they were originally funded for.

If an organisation is unsuccessful in their application for funding they are welcome to re-submit an application at any subsequent CEF meeting however they will need to consider how to address the reasons for refusal before resubmission.

Is match funding required?

Match funding is not required for applications, however as the maximum small grant allocation is £1,000 you may need to seek funding from elsewhere if your application will cost more than that amount. If an application is approved on the basis that part of the funding will be provided from elsewhere then it will need to be demonstrated when this funding will be received before the CEF funding can be allocated

When making the recommendation members of the Partnership Board will evaluate the merits of each application by the information and detail provided in accordance with the criteria listed below:

Consideration of Applications

Applications cannot be considered until an application form is completed and submitted to the Partnership Board. This will allow the full details of an application to be discussed and properly considered. No funding is to be agreed to grants or projects where an application form or project brief has not been provided. This is to ensure the Council fulfils its requirement to comply with its Access to Information rules.

Small Grant (typically £300 to £1,000)

A grant is funding used to purchase an item or fund a one-off event /activity.

For applicants to be awarded funding, the following must be demonstrated:

- How the application meets at least 2 of the objectives in the CDP for the CEF area.
- How the project benefits the CEF area including residents of the area.
- That funding would have extensive and detailed benefits for one or more defined groups (not an individual) in the CEF area.

The following organisations are not eligible to apply for small grant funding:

- A Parish Council that raises its own precept (Parish Councils may be partners in CEF projects).
- A school – (parent–teacher associations (PTAs) are eligible to apply)
- A commercial organisation generating a profit
- Another statutory or public service – (funding will not be granted to another statutory or public service to assist it to carry out its statutory duties. i.e. where the funding is intended to replace statutory funding. However, the CEF may fund a grant/project if the statutory or public service was providing a service outside of its statutory remit)

Applications cannot be used to support expenditure on VAT reclaimable by the applicant from HM Revenue and Customs.

Project Funding (usually over £1,000 for a specific piece of work)

A project is a piece of planned work or an activity that is completed over a period of time and intended to achieve a particular purpose.

To be awarded funding the following must be demonstrated in your project brief:

- How the application meets at least 2 of the objectives in the CDP for the CEF area.
- That funding would have extensive and detailed benefits for one or more defined groups (not an individual) in the CEF area.
- That clear evidence for a high level of need and extensive community consultation is provided.

All organisations are eligible to apply for Project Funding however any applications cannot be used to support expenditure on VAT reclaimable by the applicant from HM Revenue and Customs.

Note – projects exceeding £5,000 will be subject to Selby District Council procurement rules.

Funding cannot be provided for continuous work and it should not be expected that a CEF can continuously fund a project or scheme. Applicants should look ensure their project or scheme is self-sufficient once they have received funding from the CEF.

Procedure for Urgent Applications

This procedure will only be used if the application is deemed to be urgent and consideration of the application cannot wait until the next Partnership Board meeting. In order for an application to fall into this category, valid reasons for urgency must be demonstrated before the application can be considered.

The application must still fulfil the criteria listed above and state why the application cannot wait until the next Partnership Board meeting.

The Chair must agree to the reasons for urgency.

- First Action would be to consider whether an additional meeting can be arranged with the application and agenda being published on the Council’s website.
- If it is not possible to call an additional meeting, the relevant Director should co-ordinate consultation with Partnership Board members to reach a decision through email. The application can only be agreed if there are **no objections** from any Partnership Board members. If the application is agreed, the decision would be published on the Council’s website in the usual way. The funding decision would be listed (to note) on the next agenda of the Partnership Board.
- If there is any objection from a Partnership Board member, then the application **cannot be agreed** and it must be considered at a Partnership Board meeting.

Funding Events

If a funding event is held, the following rules must be abided by with regard to applications:

- Each funding proposal agreed must with the proviso that an application form must be fully completed before any funding is allocated.
- There must be a written record of all the decisions taken at the event which must include the following information:
 - Name of applicant.
 - Details of proposal.
 - Amount of funding allocated.
 - Reason for decision (applications agreed must still abide by the criteria for grant and project funding).

Q2.1 What is the title of your application?

Home-Start Goole and District - Selby Outreach

Q2.2 Please list the details of your application (500 words limit)

The funding requested from the CEF would cover the volunteer mileage expenses involved in Home-Start volunteers operating in the western CEF area. We are currently supporting several families in the Western CEF area, at a cost of approximately £2,000 a year. We are looking to develop our team of volunteers to include more from the local Selby area.

Home-Start volunteers are recruited, trained and supported by paid staff; they complete an extensive training course, undergo Disclosure and Barring checks and provide two references before they are carefully matched with the service user family. Volunteers visit the family once a week, attend monthly support and supervision sessions and take part in three further training sessions per year in Goole; mileage expenses are paid at a rate of 45p per mile. Home-Start is a local charity based in Goole and provides services within a 20 mile radius.

The objectives of Home –Start as registered with the charity commission are:

To safeguard, protect and preserve the good health, both mental and physical of children and the parents of children;

to prevent cruelty to or maltreatment of children;

to relieve sickness, poverty and need amongst children and parents of children;

to promote the education of the public in better standards of child care.

The support offered helps to improve parents’ mental health and wellbeing leading to safer and more stable home lives for children; reduces social isolation; increases social inclusion and support for parents to become actively involved in their children’s early learning, which increases children’s life chances and builds a greater sense of community.

Home-Start supports families with at least one child eight years old or younger. Referrals are received from a wide range of sources including Children’s Centres, schools, social workers, health professionals and self-referrals. Families need support for many reasons: perhaps they are struggling to cope with postnatal illness, a child’s disability, family breakdown or bereavement, or they feel socially isolated and unable to connect with their local community. Home-Start provides non-judgemental practical and emotional support that helps build the whole family’s confidence and ability to cope.

Home-Start is highly rated by both statutory and non-statutory funders as a value for money, quality service providing support for families where they need it, how they need it and when they need it.

COMMUNITY ENGAGEMENT FORUM APPLICATION FORM

Q2.3 Is there a specific date your applications needed to be funded by?

No

Q2.4 Which two objectives in the specific Community Development Plan will your application meet? (250 word limit for each objective)

Which objective?	How will you achieve this?
<p>Objective 1:</p> <p>Sense of community</p>	<p>Many of Home-Start’s existing service users feel isolated within their own community; a change of circumstances can bring about this dislocation and a lack of sense of community. Home-Start works with individual families within the local community, we work with parents to overcome various issues: isolation within the community, post-natal illness, disability, domestic abuse etc. Home-Start has the experience and track record of delivering home based family support services that reduce social isolation and develop confidence. We work with service users to develop their self-confidence, provide support via a fully trained, and carefully matched volunteer. By working in a sensitive manner and at the pace set by the service users we develop skills and confidence to meet the demands of today’s society; to assist with the difficult times until the family is ready to re-engage with the local community. Home-Start also offers service users the opportunity to join social activities with other families.</p> <p>Comments from past users</p> <p>“Since I found out about Home-Start everything has changed. It’s amazing that just one person can wake you up and say ‘you can do this’. I can and I’ve done it”.</p> <p>“She (volunteer) showed me how to get support from other organisations. She was wonderful and opened so many avenues for me”.</p>

COMMUNITY ENGAGEMENT FORUM APPLICATION FORM

Objective 2:
Local Services

The essence of Home-Start is to provide support within the family home - a familiar, safe and known space in which the family feels secure and confident. Many families feel isolated and cut off in rural communities; without their own transport families are further isolated from support services and find participation in social activities difficult. Home-Start, with its unique 'at home service', can go a long way to counter this social isolation by providing services and access to support at home at a truly local level.

Q2.5 Please outline how the application will benefit the specific CEF area and why there is a need for your proposal? (500 word limit)

The intervention of Home-Start at an early stage has been shown to prevent the escalation of an issue, save more expensive involvement of statutory services, such as social care, educational specialists etc.

Home-Start has a positive impact upon the local community, not just those in receipt of the service. It will, to some extent, promote the CEF to more hard to reach groups. Supporting the Home-Start volunteers is a real cost effective way of helping people locally, preventing social isolation, improving school attendance and reducing anti-social behaviour (real and perceived).

It will be a positive sign that all local residents have a stake in the community and give local children a positive start in life. Children with the right support and guidance can develop into good citizens, contributing to the social and cultural life of the community.

Intervention and support will enable isolated families to play a more active role in the community, engage in extra curricula activities – and basically have the same opportunities as every other young child.

COMMUNITY ENGAGEMENT FORUM APPLICATION FORM

Q2.6 How much funding are you requesting? £1,000

Please provide a breakdown of the different cost elements associated with your application:

Cost Element over a 12 month period	Cost (£)
3 Volunteers home visits to families Mileage expenses: Goole to Selby (27 mile return journey @ 45p x 48 weeks = £583.20) x3	£1749.60
Monthly support and supervision for 3 Volunteers in Goole (2 mile journey @ 45p x 12 = £10.80) x3	£32.40
3 x Volunteer training sessions in Goole (2 mile journey @ 45p x 3 = £2.70) x3	£8.10
Total Cost	£1,790.10

Q2.7 Is the total cost of the application more than the amount you are requesting?

Yes	X	No	
-----	---	----	--

If yes, where will you get the other funding from and has this been secured?

The additional £790.10 is already secured per fundraising efforts in 2016.

We continue to source extra funding to support the continuation of our service.

Q2.1 What is the title of your application?

Summer Provision in Sherburn in Elmet

Q2.2 Please list the details of your application (500 words limit)

Positive Youth would like to offer in partnership with NYCC youth provision a session a week on alternate Tuesdays and Thursday throughout the school summer holidays. Activities on offer would be:

- Bike Maintenance- enabling young people to learn new skills in maintenance, bike safety and be able to fix their own bike.
- Arts and crafts –To create banners or bunting or other art work that could be displayed as part of Sherburn Food Festival in August. With the aim to develop artistic skills, patience, team work, build self-esteem and confidence and provide the opportunity for young people to be part of a large community event.
- Sport-To encourage a healthier lifestyle, team work, positive play, and develop sporting skills,

Over all to have fun and engage with youth workers throughout the summer period

The open drop in sessions, based in Sherburn, will be free to all young people aged 10-19 years.

Q2.4 Which two objectives in the specific Community Development Plan will your application meet? (250 word limit for each objective)

Which objective?	How will you achieve this?
<p>Objective 1: Activities for young people</p> <p>Objective 2: Community safety</p>	<p>Positive Youth will facilitate weekly youth provision throughout the summer holidays, starting 27th July and ending 29th August 2017.</p> <p>The drop in holiday activities will be provided by qualified youth workers and specialists, who will deliver a range of activities intended to meet the varied interests and needs of the young people including bike maintenance workshops, art activities and sport.</p> <p>The holiday sessions are aimed at young people aged 10 – 19 from the Sherburn area, with the wider aim of engaging young people, especially those deemed 'harder to reach' in positive activities, to tackle boredom, ASB and promote positive choices and images of young people. It is anticipated that the art work created can be incorporated into the Sherburn Food Festival, providing the opportunity for young people to be involved and make a positive contribution to this new event.</p> <p>The holiday provision will be an opportunity for young people to engage with qualified youth worker, build new friendships and learn new skills.</p>
<p>Objective 3: Sense of Community</p>	<p>By engaging the young people throughout the holiday period it allows young people to be seen in a positive light and by having the opportunity to show case their work at a major community event builds self-esteem and confidence and supports future development and allows for all within the community to engage, talk, and listen to young people and see what they are interested in and what they can achieve with support and positive activities.</p>

COMMUNITY ENGAGEMENT FORUM APPLICATION FORM

<p>Objective 4: Transport</p>	<p>Through teaching young people bicycle maintenance, either through working on their own bike or one the Selby District Bike Library can source, young people will have access to transport, making them more independent and able to access local services, school or work.</p>
--	---

Q2.5 Please outline how the application will benefit the specific CEF area and why there is a need for your proposal? (500 word limit)

The application will benefit the area by engaging young people, some hard to reach in positive activities, reducing the possibility of their engagement in ASB.

The provision aims to offer a range of activities to stimulate young people and by working with them, it provides them a voice in what activities are delivered.

Sherburn has limited youth provision and these holiday sessions enhance the opportunities already in place through North Yorkshire County Council and North Yorkshire Youth who traditionally close their provision over holiday periods.

The application supports the local Community Development plan, by providing activities for young people, encouraging young people to contribute and be part of a new community event, challenging negative stereotypes and providing a sense of belonging and ownership.

It allows negative behaviors to be challenged appropriately and consistently and gives positive messages to young people delivered in a safe and neutral area with professional and experienced youth workers.

Q2.6 How much funding are you requesting?
