Following completion of the Officer's Report, it is necessary to make members aware that last month's planning committee report is in the agenda pack. The updated report includes the following paragraphs:

- This application was considered by Planning Committee on 5th June 2019 when members resolved to defer the application so that a site visit could be undertaken. Members requested NYCC Highways be present due to the concerns raised with respect to the proposals and their impact on the highway network in terms of car parking and access.
- A copy of the officer report presented to Planning Committee on 5th June 2019 is attached in Appendix 1.

Members should also note that following comments from a neighbour, the adjacent dwelling to the south of the application site is Norfolk House and not Hydaway as shown on the plans received.

In addition, a sunlight/daylight assessment was submitted by the applicant's agent on 19th June 2019. It shows that the proposal would result not result in significant overshadowing to neighbouring dwellings although it is noted that the assessment does not specify the hour of day or time of year of the assessment.
