6 DISCLOSURES OF INTEREST

Fiona Conor declared a personal interest in agenda item 5a – Hambleton Mothers, Babies and Toddler Group, as she was Chair of Hambleton Village Hall Management Committee, where the Mothers, Babies and Toddler Group met weekly; it was noted that the group had been given three months grace on the rent payable to Hambleton Village Hall to help the group establish themselves.

7 MINUTES

The Funding Sub-Committee considered the minutes of the Southern CEF

Funding Sub-Committee meeting held on 13 December 2018.

RESOLVED:

To confirm as a correct record the minutes of the meeting held on 13 December 2018.

8 FUNDING FRAMEWORK

The funding framework had been circulated with the agenda and was noted.

9 FUNDING APPLICATIONS RECEIVED

The Funding Sub-Committee considered the following funding application:

10 HAMBLETON MOTHERS, BABIES AND TODDLER GROUP, 'HAMBLETON MOTHERS, BABIES AND TODDLER GROUP', £1,000.00

The application was for £1,000.00 to provide an advertising 'A' board, banners, leaflets and posters to promote the group, along with soft furniture designed specifically for babies; and toys, activities and games.

The Sub-Committee noted that the group had a public page on Facebook to raise awareness, and had a number of fundraising events planned to both raise awareness and funds.

The Sub-Committee was supportive of the project and agreed that Hambleton was a thriving village which was constantly expanding through new housing developments, and further agreed that the group offered a much needed lifeline to people who may be lonely and isolated after relocating.

The Sub-Committee considered the application against the funding framework and confirmed that it met the requirements, specifically:

- That the application met at least two of the Community Development Plan (CDP) objectives (Loneliness and isolation and youth provision).
- That the project would benefit the Community Engagement Forum (CEF) area including residents of the area; and
- That the project would have extensive and detailed benefits for one or more defined groups in the CEF area.

RESOLVED:

To recommend to the Partnership Board that a grant of £1,000.00 be approved towards delivery of the work outlined in the application, subject to consideration of the application by the Partnership Board.

Reasons for decision:

The application met the requirements of the funding framework and the Funding Sub-Committee was supportive of the application.

The meeting closed at 6.22 pm.
