They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- **A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.**

- **A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.**
- **A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.**
- **A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.**
- **A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.**
- **A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.**
- **Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the**

person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - o evidence of the applicant's own identity – such as a passport,
 - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

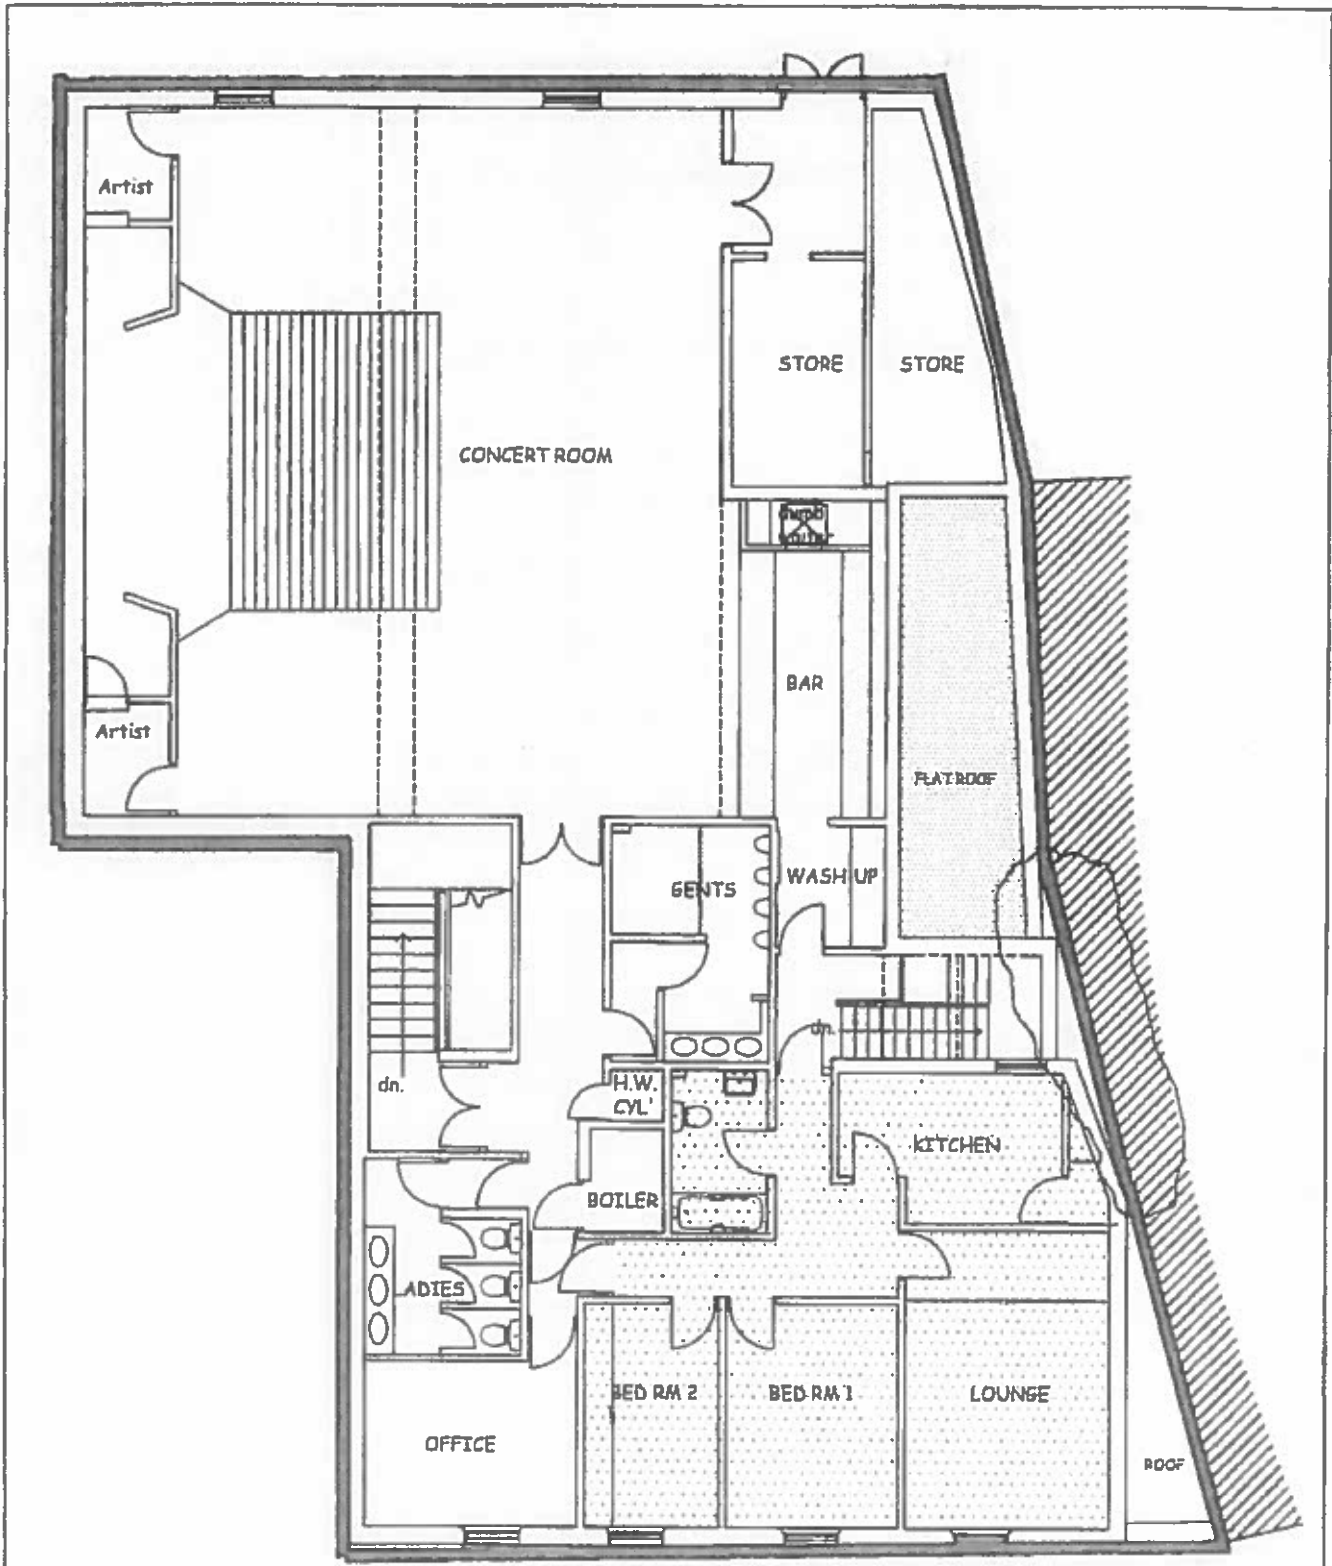

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

GROUND FORS RELEVANT REPRESENTATION

Please provide as much information as possible to support this relevant representation:
 (e.g. please list any additional information, e.g. dates of problems which are included in the grounds for review)

North Yorkshire Police received an application on Tuesday 9th July 2019 for Tadcaster Social Club who are seeking to change from a Club Premises Certificate to a Premises Licence to have a flexible licence and hold events.

The application submitted is for Licensable Activities for 24/7, seven days a week.

The showing of National Sporting events.

Regulated Entertainment indoor/outdoors 24/7

The applicant also wanted to refurbish the rooms above the premises and operate a hotel with X4 double bedrooms.

The applicant also seeks off sales for mail order, selling local produced alcohol via Internet/phone sales 24/7.

This is a very big change from a club premises certificate to a premises licence seeking all the above, and further consultation with the Police has taken place to discuss the application and look at their business model moving forward. On the 25th July, Sharon Cousin Licensing Officer at Selby District Council and PC [redacted] from North Yorkshire Police had a meeting with Andrew Lee the Director, where various conditions were verbally agreed. PC [redacted] has since liaised with North Yorkshire Police and Selby District Council as further concerns were raised about the operating hours and licensable activities. I have therefore proposed conditions that are proportionate and inline with the clubs business model going forward, and have taken into account the local residents living within the vicinity of The Legion. Licensable activities have been agreed to operate for standard timings from 09.00-03.00 and open to the public until 03.30. Non Standard timings from 09.00-04.00 and open to the public until 04.30. Seasonal variations until 04.00 and close 04.30.

The effective management of licensed premises is important in terms of mitigating the potential for public nuisance and

crime or disorder by persons purchasing alcohol from this venue. It will be down to the Premises Licence Holder/Designated Premises Supervisor to ensure that public nuisance, particularly at the entrance to the premises, used by smokers, and the subsequent noise from the smokers outside and also the flow of persons leaving this venue are managed by the PLH/DPS and have suitable notices displayed. North Yorkshire Police believe that the following conditions need to be placed onto the premises licence for the purposes of promoting the prevention of "crime and disorder" and "public nuisance".

I wish to object to the current application by Tadclub Ltd to change their licence to 24 hours.

I live on St. Joseph's Street which is at the rear of Tadclub. We are frequently disturbed late at night by the noise coming from the club – not just loud music – but people outside the premises shouting and screaming when either having a cigarette or leaving the premises. _____ We have tried complaining directly when this has happened but the phone line is either dead or not answered. I e-mailed the council last summer after one particularly horrendous night. If the licence is extended then I can only see the problem becoming worse with more anti social behaviour. The club is surrounded by houses unlike most of the other licenced premises in Tadcaster. It is ludicrous to even consider allowing a 24 hour licence here. The policing in Tadcaster is strained as it is and there has been an increase in crime in the town. People being able to drink alcohol until the early hours of the morning could make this worse.

The only other licenced premises in Tadcaster that is open late (until 1am I believe) has a doorman on at weekends. Should the club be enforced to do the same? They are currently serving until at least 1am but I have seen – and heard – people leaving much later than that.

I hope my concerns are taken into consideration regarding this application.

Subject: Application to extend sale of alcohol by Tad Club, 49, Chapel St. Tadcaster, LS23 9AS.

Dear Sirs,

I wish to object to the application for the sale of alcohol by Tadcaster Limited (TadClub) on and off the premises Monday to Sunday – 24 hrs. and the serving of light refreshment Monday to Sunday 23.00 to 05.00 hrs.

I understand that the premises have now been closed so I presume this application will fail.

If this is not the case, then the idea of unlimited opening hours for the sale of alcohol in Tadcaster Mon. to Sun. is an unthinkable notion and has to be resisted. Tadcaster is not a place where late night drinking is welcome.

There is history in the town which resulted in unacceptable behaviors when extended alcohol hours were allowed in the past.

I am able to _____

_____ t that time as a result of the late night opening of one pub in the town.

This was a big problem which took several months to deal with and _____

_____ beyond belief as it caused so much distress to people who lived in the town. Licensing opening hours for the sale of alcohol should be limited to reflect the moral and ethical standing of the community.

Tadcaster Breweries are major producers of alcoholic beverage 24/7 and contribute greatly to the town but it does not follow that consumption should be over the same period. This application is over zealous.

Subject: Tadcaster Social Club license extension

Dear sir/madam,

I would like to make a representation against the above premises applying for a 24hr license.

Firstly, could I apologise for the lateness of this email, my understanding was that the final date for objection was 15th August but Ive just noted on your website its the 13th.

I am a resident in Tadcaster and whilst I don't live in close proximity to the Social Club but I am actively involved in numerous events in the town. I am a volunteer _____ and am also a member of the _____

Over the past few months to a year, I am sure you are aware that we have had an increase in crime in the town, whilst I am aware that these things can go in waves and most towns and villages will experience increase and decrease in crime, Tadcaster itself has for a long time had an issue with disruptive behaviour in the town centre.

I believe that extending the license of the premises will increase public nuisance. I have on several occasions been in the town centre and heard noise and disruption coming from the social club, with large groups of people hanging around the front entrance and smoking. Tadcaster is a town with more than its fair share of premises that sell alcohol, for a town of its size it has more than enough to satisfy demand. It is a relatively small town and I see absolutely no benefit whatsoever in increasing a license at the Social Club that goes outside standard licensing hours.

In a town with 3 breweries and 13 pubs is it really necessary to increase drinking time?

Tadcaster is a town in need of help to increase its footfall, _____ pleasant town to visit where residents enjoy living and there is plenty for all ages to do. The increase of these hours is only serving a small minority in the town.

I would appreciate it if someone could let me know if this representation has made it through in time. I have been notified of requirements made by NYPD with regards to the license but my objection remains.

I look forward to hearing from you,

Regards

To whom it may concern,

I am writing to oppose the application of Tadclub increasing their licensing hours to 00:00-00:00 Monday to Sunday. The reasons to support my decision are as follows.

We currently live close to the property and the noise pollution distresses our household considerably. _____ throughout the evening and into the early hours of a morning on a weekend, due to intoxicated individuals walking past. At the moment, _____, however, _____ by the increasing number of loud individuals walking past the house _____.

Additionally, residents knock and bang on our door during the night and into early hours of the morning. We have also witnessed people passing urine _____, these people have been sited leaving Tadclub prior to their actions. More so, although we cannot prove this argument, there is a considerable amount of speculation regarding the use of drugs and underage alcohol consumption at this setting, surely with the increase in opening hours this 'problem' will just continue to develop and progressively impact the local community.

Furthermore, we are slightly confused as to why the licensing needs to be extended for the setting to deliver some of the new activities they are aiming to provide. The setting is busy from midnight until 2am two nights a week, thankfully, as it's already more than enough for us to contend with. In regards to the application suggesting 'Plays, films and performances of dance' are to be held within Tadclub I am struggling to see why an extended license is needed. The Riley Smith Hall hosts similar events and these finish well before midnight, so it brings me to question why Tadclub need to extend opening hours to run these events?

_____ want to also stress the importance of how this could impact the other residents on Chapel Street. For those of you who do not know, the residents on this street are mostly elderly citizens living in Samuel Smith housing, most of which have carers. We are by _____

Finally, although Tadcaster is a town built on breweries and thrives through the sales of alcohol, the residents here _____ deserve the right to have peace and quiet in our quaint town during unsociable hours. We may as well live next to a Weatherspoons in York city centre if the application is accepted. We sincerely hope that this application does not go ahead and the fact that the owner is a councillor does not have an influence in any decision made.

Yours sincerely

Dear Sirs

Licensing Application - TadClub Limited

It is with regret that I write to request that the Licensing Application for the Sports & Social Club be denied in this instance.

Since the recent change in ownership, the conduct of the patrons of the club has been disgraceful, especially over the weekend periods. There has been significant noise pollution late at night up to 3 o'clock in the morning, fighting and some weekends _____
_____ jumping ground for cans, bottles and human waste. The latter I have to clear up the next morning myself due to the sight and smell. Two weekends ago this meant I had to use two bottles of bleach to clear up the mess.

The allowance of 24 hour license may exasperate these issues further and already the disruption being cause is unacceptable to the neighbourhood.

Please give my comments your due consideration, and if you need any further information please contact me.

Yours faithfully.

3. Shouting , fighting ,swearing banging on our door. In general , behaviour that wakes us up and is intimidating .

We are concerned if the licence were to be granted , the noise would only increase and be at any time during the night.

We see little need for a 24 hour licence in Tadcaster.

We know we are not alone amongst Chapel Street residents with regards our concerns.

To whom it may concern

I should like to make a strong objection to the application for a 24hr license submitted by Tadcaster Limited in respect of Tad Club Chapel street Tadcaster .

Prevention of Crime and disorder .

We live on St Joseph street Tadcaster and have been and continue to be subjected to late night noise and anti social behaviour resonating from the Beer garden and car park of the premises ,this noise consists of screaming.shouting,swearing into the early hours with no apparent control of the outdoor space provided for the use of Patrons by Tad club .People leaving the premises shouting and swearing in the surrounding residential streets .We have complained to Sharon Cousins and Environmental health on a number of occasions resulting in visits to the club by them to try and find a solution .this worked for a while however recently the noise and anti social behaviour continues unchecked .

We have on a number of occasions contacted the Police due to the severity of the behaviour on the premises .

Prevention of Public nuisance .

Multiple complaints received by Sharon Cousins with respect to the noise and anti social behaviour from the patrons of Tad club ,Neighbouring residents constantly having to put up with the noise from the Beer garden and shouting and swearing ,Patrons in the beer garden in the early hours 2am and onwards shouting and swearing music resonating from the upstairs function room due to the fire doors being left open so patrons can smoke on the fire escape during events .

The management of this establishment make no effort to control the premises and leave Patrons to behave unchecked disturbing and causing nuisance to neighbours on a weekly basis .

I can not see how a rational committee would deem this establishment responsible to be given license of this manner ,do we then have to put up with this behaviour any longer than we already do ?

We have and will continue to complain through the correct channels about the premises and I would hope that the behaviours being forced on local residents will strongly contribute to your decision .

Licensing Application - TadClub Ltd

I am writing to request that the Licensing Application for the Sports & Social Club _____
be declined at the present time.

Following the recent change in ownership of the club, the behaviour of their customers upon leaving the facilities has been disgusting, especially on Friday's and Saturday's. The level of revelry upon leaving the Club often as late as 3 o'clock in the morning has been excessive. This is either in Chapel Street or down the walkway between the Club and number _____. It would also seem that some of the youngsters causing the disturbances are relatively young.

I trust my protest can be considered by the Licensing Authorities, but should you require any further information, please contact me.

Dear Sir, Madam,

As a member of Tadcaster Social Club, 49 Chapel Street, Tadcaster I would like to add my voice in support of the Licensee Mr Andrew Lee's application for a public license. Mr Lee is a

level headed individual who takes his responsibilities seriously. He is well mannered, reasonable and sensitive to the conduct of his customers and the welfare of the Club's neighbours. A person of

good character, In short the ideal Landlord.

In respect of the club , it is one of Tadcaster's very few independent businesses. A valuable facility providing a service for people of all ages within the community. I see young and old enjoying the

snooker and table pool. The club provides live sport on TV for its patrons. There is opportunity to listen to music and use a mobile phone on the premises, all facilities denied patrons visiting some

other licensed premises in Tadcaster.

There is a need for this type of establishment in Tadcaster. Some local businesses are closing down and Tadcaster is in danger of becoming a ghost town if people don't have varied opportunities to

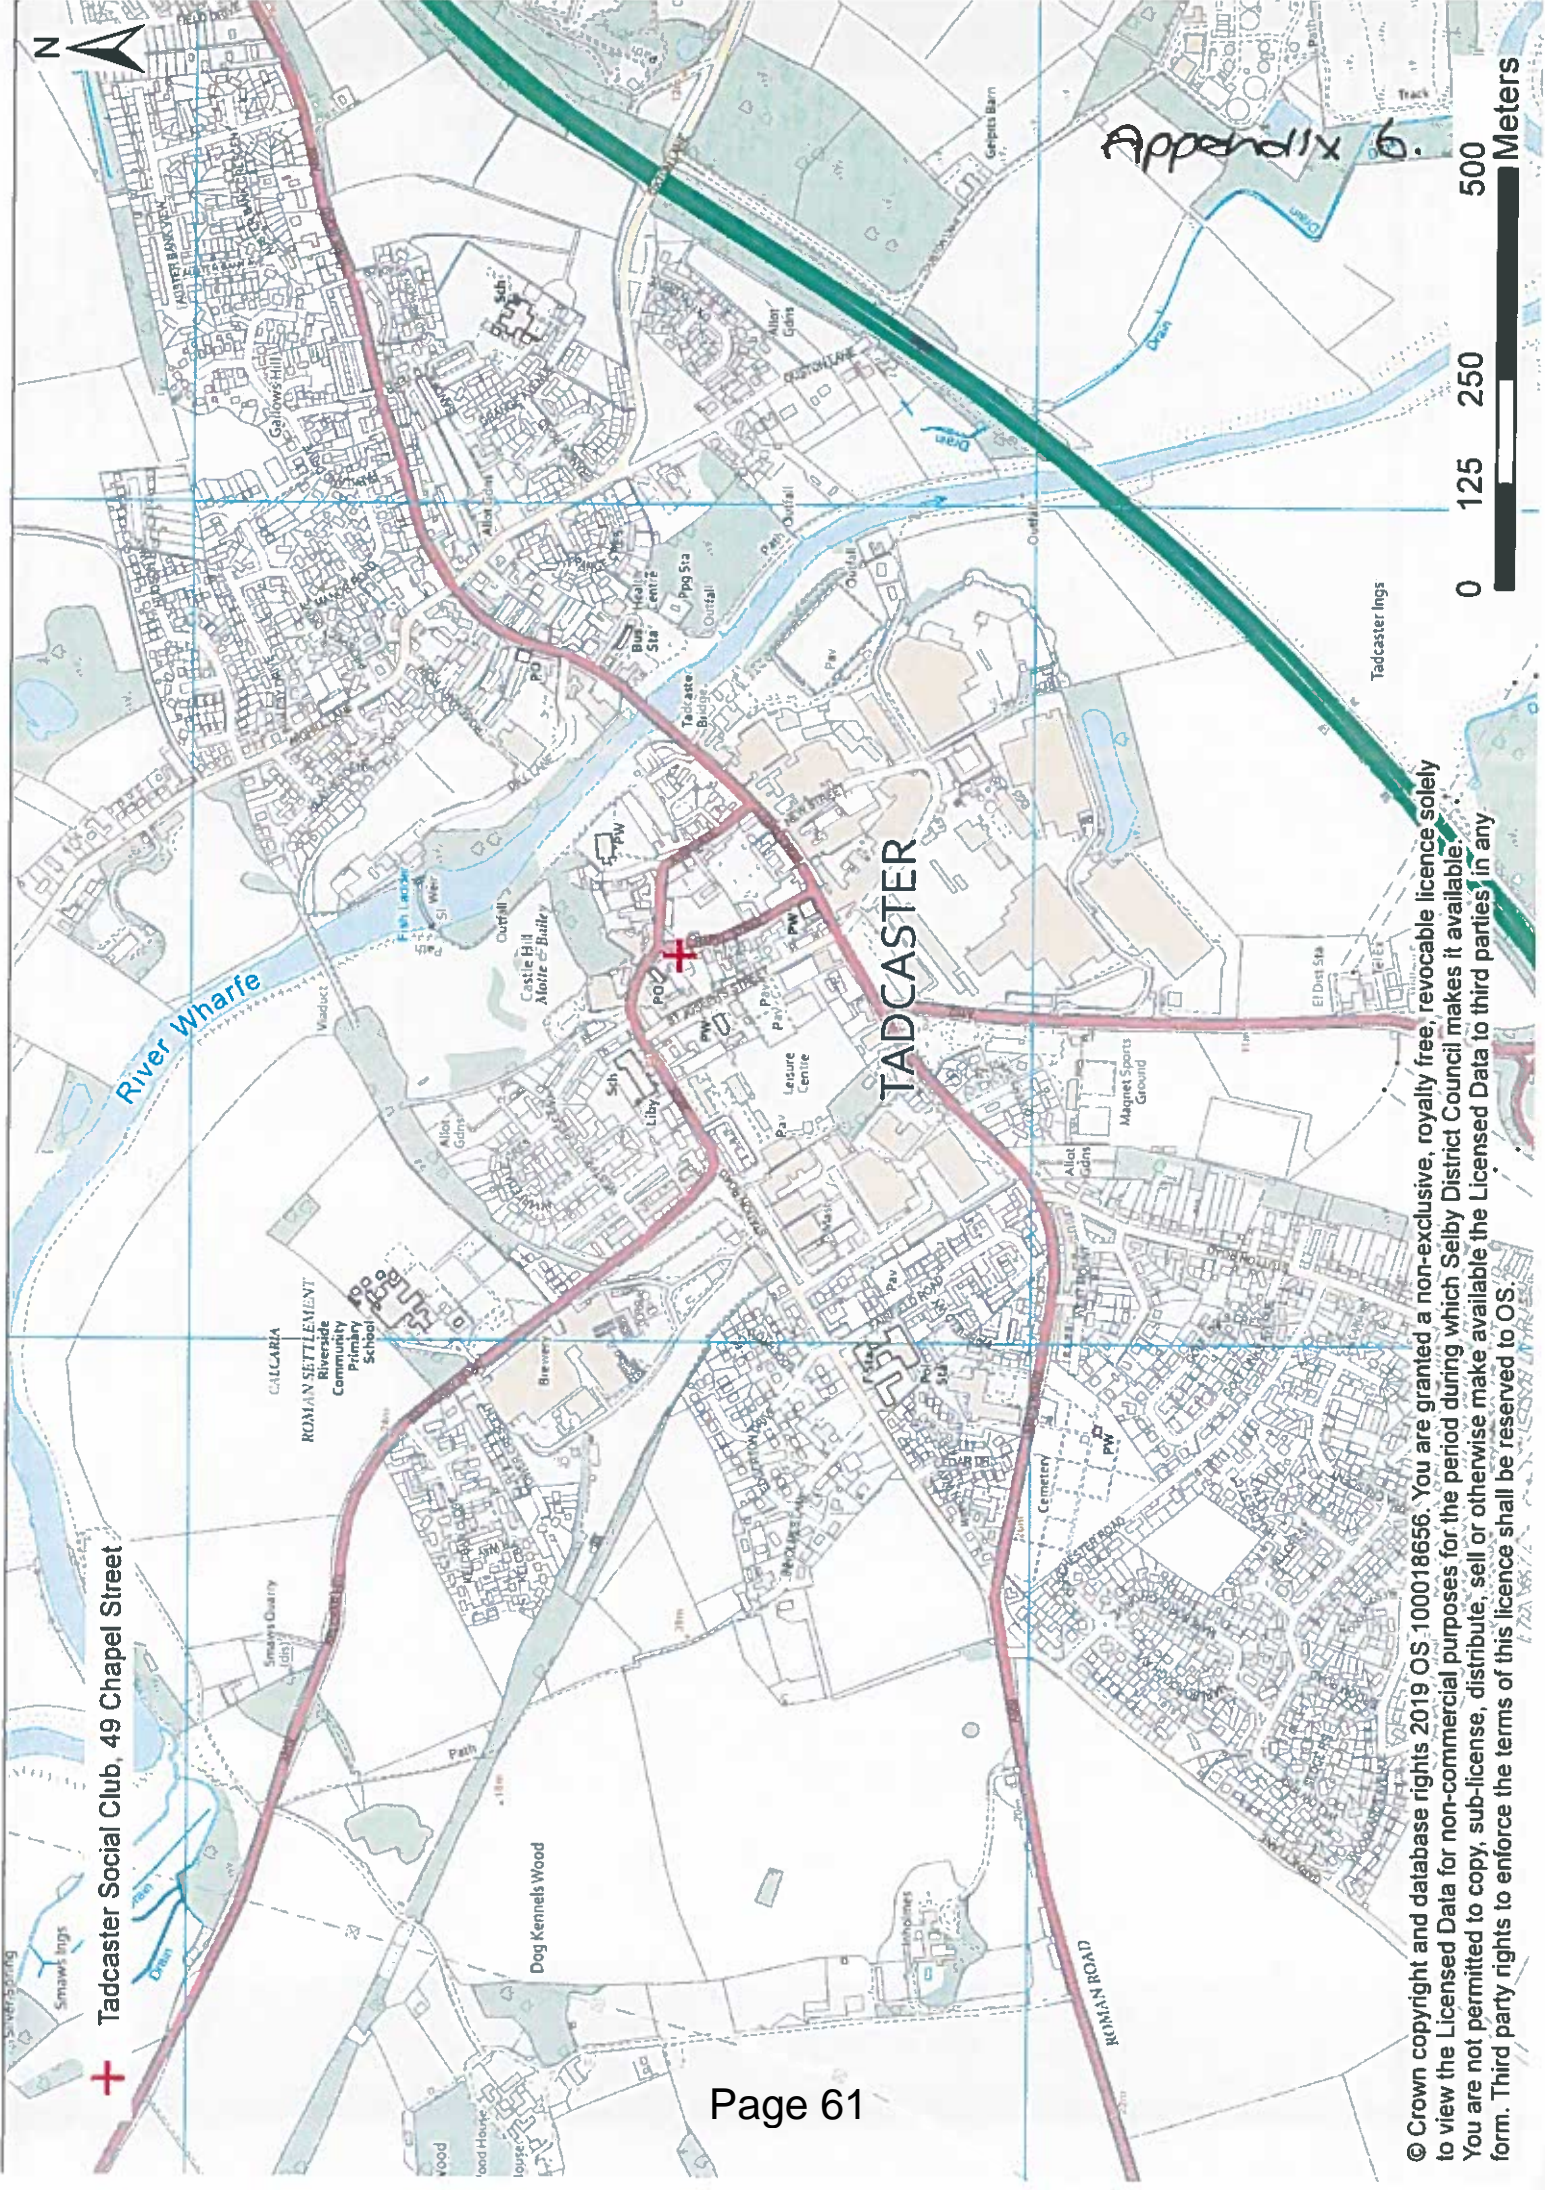

visit and facilities to chose from like this.

I sincerely hope you will take into account my comments in support of the application during your decision making process.

Kind regards,
