in Selby

An illustration of a town street scene. In the foreground, there's a green grassy area. Above it, a blue sky with white clouds. A white sign with a black border hangs from two black poles, displaying the text 'in Selby'. Below the sign, there's a row of buildings and people. On the left, a shop with an orange and white striped awning has a sign that says 'Orange Shop' and 'OPEN'. A person in a white uniform stands outside. Next to it is a table with a red and white checkered tablecloth and two red chairs. In the center, two people are talking. To the right, a person is walking with a box. Further right, a shop with a green and white striped awning has a sign that says 'green'. A person is standing outside. The background shows a city skyline with various buildings.

Central Community Engagement Forum (CEF)

Covers the following areas:

Barlow, Brayton, Barlby Bridge and Selby.

What is the Community Engagement Forum?

Community Engagement Forums are public meetings at which you can raise any concern or make any comment about your local area and your local services.

The meetings are a chance to speak directly to the people who deliver your local services, for example policing, street cleaning and road safety.

The Partnership Board is made up of District, County, Town, and Parish Councillors, and Community Activists.

What is the Community Fund?

The CEF receives an annual budget that it can distribute to groups and organisations within the area. There are two types of funding available; grant funding and project funding.

This is a wonderful opportunity to develop new ideas, purchase essential equipment or help to fund community initiatives. Assistance is available to help you plan and complete your application.

How do you apply?
