1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 The scheme applies where local restrictions (LCAL3) are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grant funding under this scheme will be available for the 2020/21 and 2021/22 financial years only.
- 1.8 No grant shall be paid for any period where the localised or widespread national restrictions were in place prior to 14th October 2020.
- 1.9 Where any area enters either a localised restriction (LCAL3) or where a national restriction applies, additional assistance may be given to businesses under the Council's Local Restrictions Support Grants (Closed) Scheme (as amended).

2.0 Funding

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive a one-off lump sum payment amounting to £20 per head in each area when local restrictions (LCAL3) or widespread national restrictions are imposed.

- 2.2 Once the Council's area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.
- 2.3 The Council has been allocated £1,812,400.00 to the end of financial year 2021/22. This will essentially be split into three Tiers as follows:
- £815,580 for the current nationwide restrictions (5th November 2020 to 2nd December 2020);
 - £181,240 for an exceptional hardship/contingency fund; and
 - £815,580.00 for any additional nationwide or LCAL3 restrictions.
- Any funding left over from the first round of awards and any thereafter, will be rolled into subsequent round(s).

3.0 Eligibility criteria and awards

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.
- 3.2 If Local Authorities use the Additional Restriction Grant for direct business support grants, Government has stated that the same conditions of grant **must** apply as for the Local Restrictions Support Grant (Closed) scheme. However, the Council will have the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of COVID-19. Government has also stated that the Council may also wish to assist business which are outside of the rating system and which are effectively forced to close.

Eligibility Criteria

- 3.4 For the purposes of this scheme the Council has decided that it will support businesses which are affected by the widespread national restrictions but not eligible for Local Restrictions Grant (Closed) funding as follows:
- (a) Businesses which are not on the government list of businesses which must close and are not legally forced to close but have been severely impacted by the restrictions, who may or may not be liable for business rates:
 - This could include businesses which are liable for business rates but have not been legally forced to close but have been severely impacted* by the restrictions.
 - (b) Businesses outside of the business rates system or which are not directly the rate payer for business rates, such as those in shared spaces and are not legally forced to close due to restrictions but have been severely impacted and fall outside the

scope of LRS (Closed) scheme. This could also include businesses that do not have premises but do have high fixed costs.

Examples of supported businesses would include, but not limited to; accommodation providers, entertainment venues, personal care facilities, market traders, personal services providers such as hairdressers and beauty therapists, leisure and sports businesses, and providers of holiday accommodation outside of the rates system.

This could also include businesses which supply retail, hospitality and leisure sectors or businesses in the events sector.

- 3.5 *Severely impacted – a statement will be required from the company showing that at least 50% of their revenue comes from businesses required to close within the national restrictions, and this will have an impact on their income of at least 50%. Examples of which include suppliers of goods and services to businesses not legally forced to close due to restrictions
- 3.6 For the avoidance of doubt, the Council means by “businesses,” those organisations that are formally constituted as companies, partnerships, and charities, together with sole-traders and the self-employed.
- 3.7 Eligible businesses will be required to be either:
- (a) From a Selby-based business which have fixed premises in Selby. (It should be noted that a market stall or pitch will not be considered as fixed premises); or
 - (b) the business must either be run by a Selby District resident and trade within the District.
- 3.8 Businesses that are able to continue to trade and can operate their services effectively remotely and who are not totally reliant on ‘in-person’ services.

- 3.9 The Council has decided the following grant award levels:

Who can receive the grant?

- 3.13 Government has stated that the person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date. Where there is no entry in the rating list for the business, the Council will have discretion to determine who should receive the grant.
- 3.14 Where the Council has reason to believe that the information it holds about the ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.
- 3.15 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
