|  | Car Parking Policy/Strategy | A report was taken to the Executive in September 2020 setting out proposed changes to the parking charges and provision of cashless payments. This was called in by the Scrutiny Committee and considered on 17 September 2020. Officers advised that following call-in and once proposals had been agreed it would take some time to implement the changes. If the Committee want to consider whether the changes have delivered the improvements as expected, Officers have suggested undertaking this work in April 2021. |
