Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

We are an established countryside family run caravan and campsite. We would like to provide a service for the sale of alcohol / drinks on the premises itself. The premises would be on site of the caravan park, offering a rustic ground floor barn style bar with on site location - for our guests and locals. We have an unused barn, which we would apply for change of use to offer an authentic barn bar with rustic seating and camp style fun. The barn is located behind the reception ( part of the building) but on the entrance to the site. Offering a safe location away from the road, and not intrusive of neighbors. There would be a double doorway, a single door and a large window. to offer sunshine and light. We have seen a similar style building that we would strive ours to look like - Berts Barrow at Hillam ( we've attached photos ) A simple barn style bar with outside seating in the summer.

We would also moving forward after covid, like to occasionally put in a marquee /beer tent for guests /locals in summer on the camping / caravan side, such a themed weekend.etc Hence the additional plan map with a red line showing the whole area.

This would offer a fabulous addition to our lovely country campsite.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

## Section 18 of 21

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

GENERAL STEPS;

We are an existing FAMILY RUN AND FAMILY camp site, we have health and safety already in place - this will be extended to cover the rustic bar.

The Personal License holder on the premises most of the times as Designated Premises Supervisor nominated.

There will always be a sufficient number of staff on the premises to cover the opening hours PLUS busy times

**Continued from previous page...**

There will be regular training of staff. from Health & safety, safe guarding and security.

**b) The prevention of crime and disorder**

photographic identification to control underage drinking  
STRICT no drugs policy - stop & search where necessary  
We will use plastic cups & bottles for guests drinking outside  
regular glass collections within the bar  
Safe seating arrangements to give space  
taxi booking service provided if required  
CCTV in place  
Emergency lighting in toilets  
Access lighting and emergency flood lighting in the area

**c) Public safety**

We will obtain as we currently do a main electrical check (once every 5 years); PAT testing (portable electrical appliance testing)  
emergency procedures in place for health & Safety and vacation of the premises  
good and extensive housekeeping procedures in place  
up to date health & safety policy & relevant risk assessments  
employers & public liability insurance  
sufficient lighting internally & externally - emergency lighting  
regular fire checks & servicing of fire detection & extinguishing equipment;  
designated smoking/non-smoking areas  
First Aid on site / assisting flash cards for emergency and there is a defibrillator near by we have the code.

**d) The prevention of public nuisance**

Noise is most likely to be the main nuisance. We would always keep any music at a low comfortable level and not using offensive language material and off by 22.30hrs. where possible 'after 'hours the doors would be pulled too and any speakers away from any guest pitches and neighbors. We would make regular sound checks inside & outside of the premises. We would have signage in place asking people to leave quietly and code of conduct.

Last orders will be called within plenty of time to ensure the doors are closed on time. As we are a camp site we offer absolute quiet after 23.30 therefore, closing at 23.00hrs will fall in line with our policy, and allowing guests back to their pitches with still enough time to settle down for the night. Last orders to be called by 22.30 to fall in line with the any possible music off.

All clear up will be only during opening hours - therefore no glass / bottle recycling will be done after hours causing noise irritation.

The premises will be kept litter free.

As we are an established camp site already - the noise control is already in place, with warden patrols to ensure there are no disruptions.

**e) The protection of children from harm**

We would restrict areas where children are allowed, such as no children playing in the bar area.  
Have a safeguarding policy.

Proof of ID will be required for young adults.

**Section 19 of 21**

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
