Decision

To grant the following – TEMPT (Tadcaster's community events organisation) for street entertainment/performance to accompany a day of celebrations marking 5 years since the bridge was reopened after the flooding.

Other funding is provided via the Welcome Back Fund.

The funding will be provided to TEMPT.

The funding should be used to commission street performance to accompany the event – this will be music and childrens/family entertainment, similar to that programmed by SDC for the Super SaTADay event.

The event will be delivered by community volunteers.

A grant of £1,000 to assist in the delivery of the bridge celebrations.

Reason for Decision

As to do so is in accordance with the legislation and Council Policy.

The project contributes to the delivery of the Cultural Development Framework.
