

Selby District Council

**Local Development Scheme
2022 – 2024**

1. What does an LDS include?

- 1.1 The Local Development Scheme (LDS) sets out the key planning policy documents we will be producing over the next three years. This document is the second Local Development Scheme to be prepared in relation to the new Local Plan which began in September 2019. In terms of content there are particular requirements set out in the Planning and Compulsory Purchase Act 2004, Section 15(2) as amended. This specifies that the LDS should include:
- the local development documents which are to be development plan documents;
 - the subject matter and geographical area to which each development plan document is to relate;
 - which development plan documents (if any) are to be prepared jointly with one or more other local planning authorities;
 - any matter or area in respect of which the authority have agreed (or propose to agree) to the constitution of a joint committee under section 29;
 - the timetable for the preparation and revision of the development plan documents;
 - such other matters as are prescribed.
- 1.2 This LDS was brought into effect from 24 February 2022 by resolution of the Council.
- 1.3 Copies of the Local Development Scheme are available for inspection at the Customer Contact Centre, Access Selby, Selby or may be downloaded from the Council's website www.selby.gov.uk.

2 What are the current Local Plan documents?

2.1 The Local Plan currently consists of the following documents:

- a) The Selby District Core Strategy Local Plan 2013 – this sets out a long-term vision and strategic policies to guide development and shape the growth of the District
- b) Some ‘saved’ detailed policies from the previous 2005 Local Plan - which remain part of the Council’s planning policies until replaced (those that were not replaced by policies in the Core Strategy)
- c) Policies in the Minerals Local Plan (December 1997) and Waste Local Plan (October 2006) prepared by North Yorkshire County Council - which have been ‘saved’ until they are replaced by the emerging Joint Minerals and Waste Local Plan.

2.2 The Selby District Core Strategy Local Plan 2013 provides a strategic context with which subsequent Local Plan documents must conform. The Core Strategy covers the period from 2011 to 2027.

2.3 The Selby District Local Plan was adopted in February 2005. Transitional arrangements enabled policies and proposals in adopted development plans to be ‘saved’, initially for up to three years from commencement of the new legislation or until replaced by individual DPD policies. In the case of Selby District Local Plan the three year ‘saved’ period ran until February 2008 but those policies which remained consistent with national and regional policy at that time were further extended indefinitely (or until replaced), by Direction of the Secretary of State’s approval. The ‘saved’ policies can be viewed on the Council website.

2.4 Policies in the Minerals Local Plan (December 1997) and Waste Local Plan (October 2006) prepared by North Yorkshire County Council have also been ‘saved’ until replaced by the Joint Minerals and Waste Local Plan which is currently in preparation.

2.5 Neighbourhood Plans are prepared for a particular neighbourhood area. The Localism Act 2011 introduced statutory neighbourhood planning in England, enabling communities to draw up their own plans and have more say in the planning of their area. The usual lead in this is the Parish Council who submits the proposed boundary (Neighbourhood Area) and supporting statement to Selby District Council. Once this is approved, the plan is drawn up by local people. The plan can be used to influence the type, design, location and mix of new sustainable development - it must generally be in line with the Local Plan, national and local planning policies and other laws. The plan is then checked by an independent examiner to ensure that it meets the standards for a Neighbourhood Plan. The final plan is then subject to a local referendum

and is brought into force by Selby District Council if more than 50% voters support it.

- 2.6 At the time the LDS was adopted Appleton Roebuck and Acaster Selby and Church Fenton Neighbourhood Plans had been adopted. The progress of the Neighbourhood Plans are monitored and set out in the latest Authority Monitoring Report.

3. What Plans Are We Producing?

- 3.1 We are required to provide details of all our Local Development Documents within this Local Development Scheme.
- 3.2 We are now producing a new Local Plan which will provide a long-term strategy for the whole District. The Local Plan will replace the Core Strategy Document which was adopted in 2013 and the 'saved' policies from the 2005 Local Plan. Together with any adopted Neighbourhood Plans and emerging Joint Minerals and Waste Plan the new Local Plan will make up the development plan for the District. It will be supported by a Policies Maps which will identify allocations of land and constraints to development.

The Statement of Community Involvement.

- 3.3 The current document was adopted in December 2020 and sets out how the Council will involve people in plan Making. The Statement of Community Involvement sets out how and when we will consult interested parties in developing our planning policies.

The Annual Monitoring Report.

- 3.4 Local Authorities must prepare and publish an annual monitoring report to cover a period of a minimum of 12 months. The Annual Monitoring Report demonstrates how effectively the Council's planning policies are working.

4. Preparation of Local Plan

- 4.1 The preparation of a Local Plan will provide a comprehensive Development Plan Document for the whole of Selby District. It will set out the overall spatial approach for new development, allocate specific sites and set out the policy framework for decision making up to 2040. A detailed timetable for the preparation of the plan is set out at Appendix 1.

5. Joint Working

- 5.1 It is not currently proposed to prepare any joint Local Plan documents with neighbouring local authorities. However, the Council is working in partnership with other local authorities to ensure that cross boundary issues are fully addressed under its duty to cooperate (Localism Act 2011 and the National Planning Policy Framework (NPPF, 2018).
- 5.2 North Yorkshire County Council will contribute to the Council’s plan making, particularly with regard to transport and education matters, and advice on strategic planning, monitoring and intelligence, biodiversity, landscape, archaeology and sustainability aspects, but are not specifically jointly preparing any Local Plan documents. It is important to note that on 1st April 2023 through Local Government Review, Selby District Council and North Yorkshire County Council will become a new North Yorkshire Council.
- 5.3 The Council will also work with other public bodies such as the Environment Agency and Highways England, as well as key stakeholders in preparing the Local Plan.

6. Monitoring and Review

- 6.1 The Local Development Scheme will be monitored on an annual basis through the Authorities Monitoring Report (AMR). As a result of monitoring, the Council will consider what changes, if any, need to be made to its Local Plan, and will bring these forward through reviews of this LDS.
- 6.2 The Council will continue to monitor annually how effective it’s planning policies and proposals are in meeting stated objectives. This includes publishing its AMR each year covering the period 1 April to 31 March. Depending on the stage reached in the process, the AMR will assess:
- Whether the Council is meeting the timescales and milestones in the LDS and, if not the reasons why;
 - The extent to which policy objectives are being achieved;
 - Whether any policies need to be replaced to meet sustainable development objectives; and
 - What action needs to be taken if policies need to be replaced.
