The premises caters, in the main, as a destination venue for customers who wish to take advantage of the extensive food menu that they provide. There is also a large garden / seating area at the rear of the premises which can be used for dining as well as outdoor seating. It is intended that functions e.g. weddings, birthday celebrations etc can be held inside the premises and in the outdoor area. Where appropriate, a marquee will be used in the rear garden to hold events in. There is also a bar in the outside garden area. The sale of alcohol will be applied for from 08:00 hrs. This is to cater for customers who would be having breakfasts before going to fishing matches, which are held in the area, coach parties and similar groups who are on route to York races and similar events. A condition has been agreed with North Yorkshire Police Licensing Officer, PC [redacted] that the sale of alcohol between 08:00 hrs and 10:00 hrs will be ancillary to food.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
