	The Summer taster sessions were less successful than our town centre activities and we only engaged half the numbers we get when we run central based courses. Five people in total attended in Riccall (we ran one Saturday and one evening) and despite	VAL	2018

	<p>extensive advertising in Barlby including a feature in the library mail shot to each household we had no interest in the two Saturdays - the manager said this is a common problem with activities in the village.</p> <p>As regards Escrick we had no interest in the two Saturdays in August so as we had been required to pay for the venue in advance we rescheduled for evenings in September but these sadly had no interest either.</p> <p>We were all aware this was a pilot - and although disappointing we are not surprised - we would need a much larger budget to cover more locations for longer and house by house marketing if we were to develop this model.</p> <p>On a slightly more positive note two of the attendees in Riccall have registered their interest in attending on-going provision we have in Selby town and they feel they wouldn't have known about it otherwise.</p>
