Appendix 1

Tackling Deprivation within Selby District

Policy Review Committee 16th January 2018

What is deprivation?

Deprivation is the damaging lack of resources and standard of living considered to be basic necessities in society.

Although this is strongly linked to poverty, deprivation is about more than just low incomes, and also takes into account wider factors (education levels, crime, health, etc.)

Social Mobility – this refers to someone's ability to move out of deprivation and improve their standard of living.

Index of Multiple Deprivation

The Index of Multiple Deprivation (IMD) is a UK government study of deprivation across England. The study uses **seven domains of deprivation.**

The IMD can be used to rank areas according to their relative level of deprivation – though it cannot tell us if an individual or area is definitively deprived.

How does Selby rank?

Deprivation rank:

Selby District is ranked **254** out of 326 local authorities – relatively very low deprivation (where 1 is most deprived)

Social mobility rank:

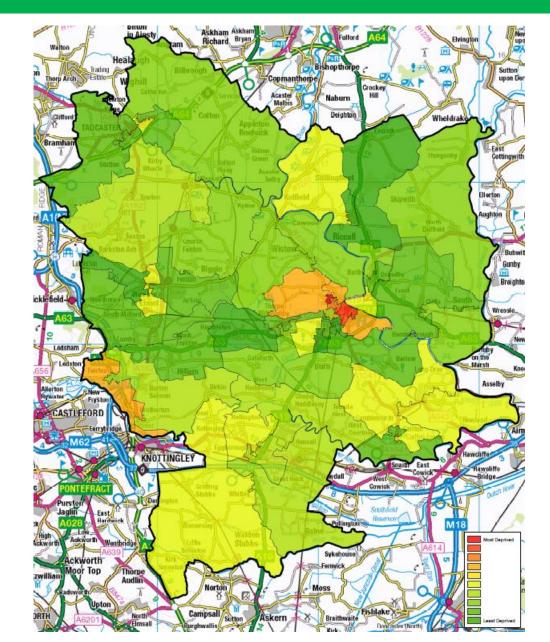

Selby District is ranked **196** out of 324 local authorities – slightly worse than average (where 1 is highest social mobility)

Deprivation Rank Comparisons

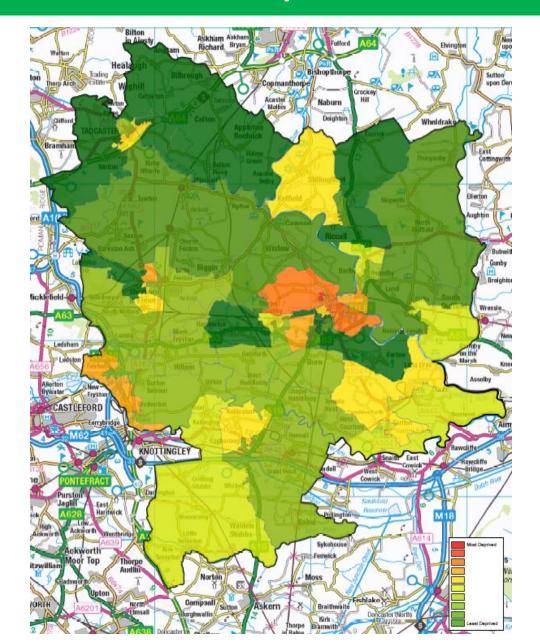

Deprivation rank out of the 326 English District local authorities (1=most deprived, 326=least deprived):

Overall Deprivation in Selby

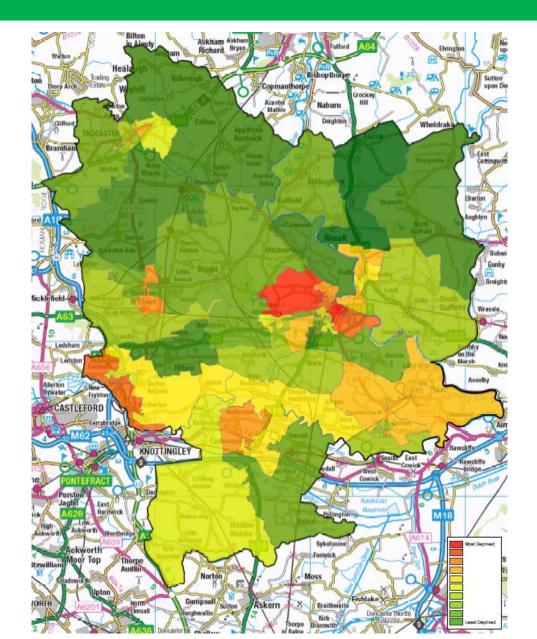

Income Deprivation

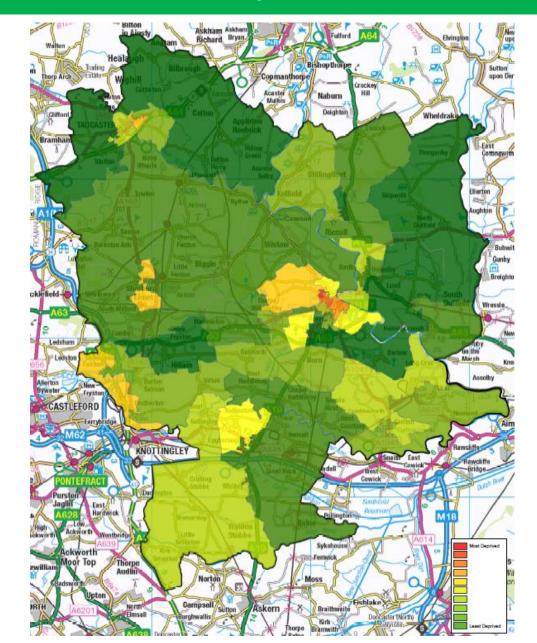

Employment Deprivation

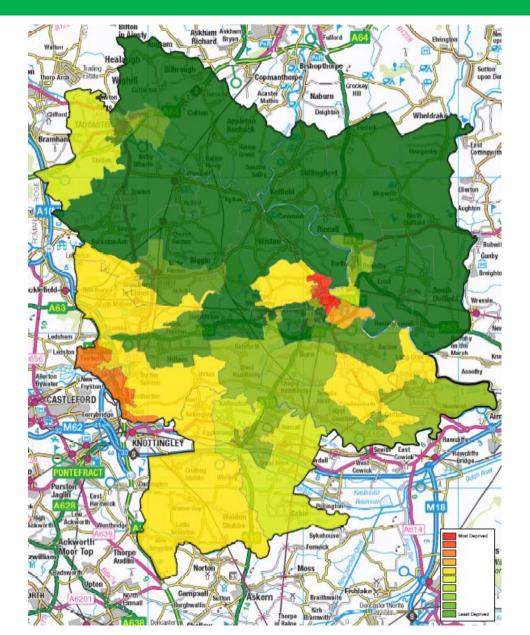

Education, Skills & Training Deprivation

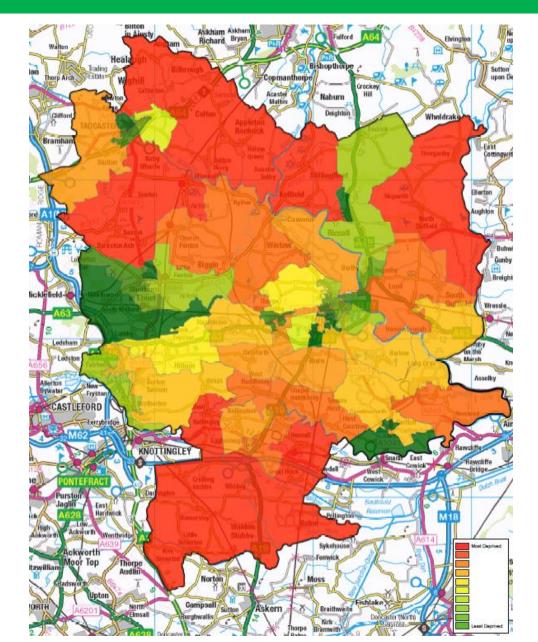

Health Deprivation

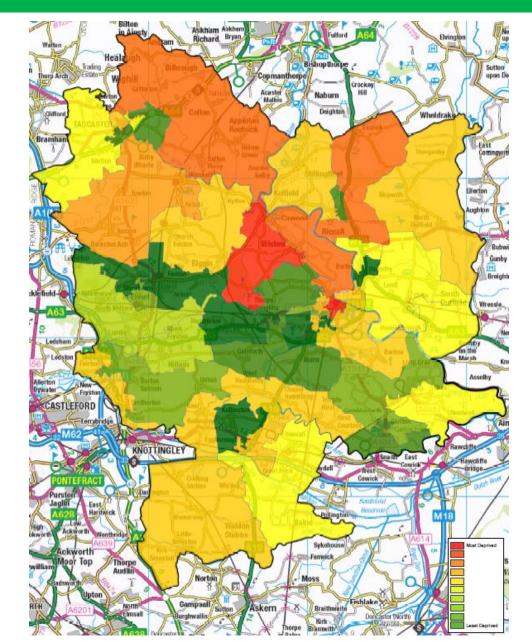

Crime

Barriers to Housing and Services

Living Environment Deprivation

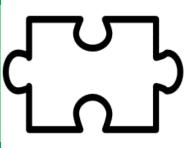

Key Strengths & Challenges

Strengths

- Particularly in terms of employment, income and health the District performs very well
- The rate of children living in 'out of work' households or poverty in the District is significantly lower than the national average

Challenges

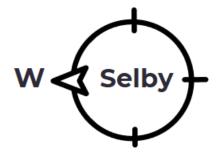

- 2 small areas of Selby Town fall into the 20% most deprived areas in the country
- Barriers to housing and services is by far the biggest deprivation issue facing the District
- Rural poverty and fuel poverty
- Improving social mobility

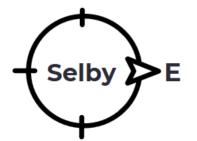

High Deprivation Zones

Selby West (Flaxley Road, Charles Street) (within 10% most deprived areas):

- **39%** have no qualifications
- 17% are unemployed
- **33%** of children from low-income families
- **21.4%** have a limiting long-term illness

Selby East (Abbots Road) (within 20% most deprived areas):

- **26%** have no qualifications
- **25%** of children from low income families

What approach is needed?

Requires a long-term whole systems approach, whereby the causes of poverty and deprivation (i.e. unemployment and low incomes, lack of education and skills) are addressed

JRF's strategy to solve poverty in the UK

Boost incomes and reduce costs

Deliver an effective benefit system

Improve education standards and raise skills

Strengthen families and communities

Promote long-term economic growth benefiting everyone

What can Selby District Council do?

Making Selby District a great place... SELBY DISTRICT CORPORATE PLAN 2015 – 2020

Affordable housing

Health and wellbeing

Strong communities

Supported residents

Job creation

Economic growth

Education and skills

Increased housing supply

SELBY

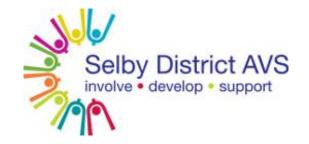

DISTRICT COUNCIL Moving forward with purpose

Partnership Working

Everyone has a role to play in tackling the challenges relating to deprivation. We must take a whole systems approach and work with key partners.

Economic Development & Inclusive Growth

SELBY DISTRICT MEANS GROWTH AT THE HEART OF YORKSHIRE

Attracting investment to the District

Seek to address transport barriers

Increase apprenticeships and vocational training opportunities – <u>video link</u>

Increase in good quality jobs

Support unemployed adults to gain suitable skills and achieve sustainable work

Increased housebuilding

SELBY DISTRICT ECONOMIC DEVELOPMENT FRAMEWORK

2017-2022... and beyond

Health and Wellbeing

- STAY Selby for people at risk of homelessness

Supporting Local Communities

- Neighbourhood Team weekly drop-in surgery at Flaxley Road Community Primary
- **Tenant Participation** Repairs & Maintenance Group, Open Door publication, TARAs, Estate Walkabouts
- In 2016-17 we gave £290,321 of grants to fund 70 community projects
- Actively engaging with the local community

Selby Big Local

- One of 150 areas in England chosen to deliver Big Local a community led, 10 year Big Lottery funded programme which helps residents create lasting change through an investment of at least £1 million.
- The Selby Big Local area represents the most deprived wards in Selby District the largely residential areas of the Flaxley Road and Abbots Road estates, and the town centre.
- Resident-led Partnership responsible for delivering a community action plan, informed by ongoing community engagement and consultation. Plan has 4 key themes:
 - Community involvement and participation
- Health and wellbeing
- Education, training and skills
- Opportunities for young people

Selby Big Local

- Current projects and initiatives include:
 - Big Aspirations: working with 3 primary schools to raise career aspirations
 - Bringing Credit Union outreach to the Selby Big Local area
 - Small groups: over 50's IT club, Polish community support, community choir
 - Youth film initiative <u>https://www.youtube.com/watch?v=ZY_sIT-tGm8</u>
 - Working in partnership with Selby District Foodbank
- Future focus areas include:
 - Community based health including focus on mental health
 - Improving open spaces
 - Supporting adults access employment and training
- Selby Big Local will be publishing an updated community action plan in January 2018

Conclusion

The Council is taking a long-term strategic approach to improving quality of life across the District, focusing on:

- Fostering inclusive growth to improve prospects for all of the District's residents
- Health and wellbeing
- Working with local partners
- Effective support for our vulnerable residents and local communities

Is there more we could do? What role do Councillors want to play?
