Subject to Call in – Key Decision	
Decision	
To extend the current contract for public conveniences.	
Reason for Decision	
The public convenience contract expires in 2020 and includes a provision to extend the current contract. An extension of the contract has been agreed whilst the Council reviews future public convenience requirements. The extended contract is at a reduced contract price providing a financial saving to the authority whilst maintaining current service provision.	

Alternative Options considered and rejected

The current locations of the public conveniences may require review and change depending on the development of strategic sites within Selby Town such as the station masterplan. Extending the contract will support future changes as part of a re-procurement process as strategic plans develop for Selby Town.
