

11.2 Proposed by Councillors Jordan, John McCartney, Mary McCartney, Nichols, Packham and Steve Shaw-Wright.

In order for Selby District Council to ensure it is doing all it can to prevent modern slavery that the Council will:

- Train its corporate procurement team to understand modern slavery through the Chartered Institute of Procurement and Supply's (CIPS) online course on Ethical Procurement and Supply.
- Require its contractors to comply fully with the Modern Slavery Act 2015, wherever it applies, with contract termination as a potential sanction for non-compliance.
- Challenge any abnormally low-cost tenders to ensure they do not rely upon the potential contractor practising modern slavery.
- Highlight to its suppliers that contracted workers are free to join a trade union and are not to be treated unfairly for belonging to one.
- Publicise its whistle-blowing system for staff to blow the whistle on any suspected examples of modern slavery.
- Require its tendered contractors to adopt a whistle-blowing policy which enables their staff to blow the whistle on any suspected examples of modern slavery.
- Review its contractual spending regularly to identify any potential issues with modern slavery.
- Highlight for its suppliers any risks identified concerning modern slavery and refer them to the relevant agencies to be addressed.
- Refer for investigation via the National Crime Agency's national referral mechanism any of its contractors identified as a cause for concern regarding modern slavery.
- Report publicly on the implementation of this policy annually
