A large yellow banner across the top says 'Friendship' and another across the bottom says 'Friday'. Below the illustration, a purple box contains the text: 'Every Friday 11 - 3pm From 1st March', followed by a list of activities: 'Information', 'Entertainment', 'Support', 'Trips Out', and 'Laughter'. A smaller text block below that says: 'Come along to our Friendship Fridays for a variety of activities and meet some friendly folk over a cuppa! A great way to end the week, no need to book just turn up. A warm welcome awaits!'. At the bottom, it lists the location: 'Community House, Portholme Road, YO8 4QQ, 01757 291111'. Making Things Happen CIC Southern CEF Wellbeing and Fitness Project

| <p>Feb 19 – meeting scheduled for March 19 to create an online and paper-based survey promoting the range of activities available. This will be distributed across the CEF region and activities will be scheduled based on responses received.</p> | <p>MTH</p> |
| <p>July 19 - We are so excited about our Southern CEF project. We have finished our initial consultation period, where we went out to many local groups and individuals in the area, to ask for feedback on the types of opportunities and provisions we may be</p> | <p>MTH</p> |

able to offer through this project. We wanted to hear what people were wanting, in order to maximise the potential for this project.

The beauty of our project has meant that we have been able to create a flexible and dynamic approach to delivering these opportunities. We have so far mapped out 16 unique and individual sessions over a series of 'Give it a Whirl' days. These will be taking place in Thorpe Willoughby, Eggborough, Carlton, and Hambleton between now and Christmas. These opportunities will provide a varied and diverse range of sessions, from the creative arts, to well-being and support, to practical skills and learning, to social opportunities. All residents will be invited to attend any, or all sessions across the area.

Our feedback also clearly showed us that there is a real appetite for delivering a community 'Christmas Event' in the area. This is something we have started to look into and are discussing with local community and faith groups.

Oct 19 – publicity continues to be circulated. The website has been completely redeveloped and is being used to share the resources developed. Poor attendance at the first event despite significant promotion. 3 meetings have taken place regarding the Thorpe Willoughby Interactive Christmas Event.

Southern CEF Disability Action Group

| Progress | Lead |
|--|------|
| <p>Feb 19 - The Southern CEF Disability Action Group were filmed in January by the CEF and we had a fabulous turn out.</p> <p>The main priority currently being focused on is our 'Open Letter Project'. The Action Group are writing a series of letters to address access and other issues facing local disabled people in the Southern CEF area. Including letters to:</p> <ul style="list-style-type: none"> - Local village shops (using the SDDF Top Tips Booklet), to offer advice on maximising access for all - Local Parish Councils, to raise specific identified improvements needed or suggested for local villages - Open public letters addressing age-old issues from a disability angle, such as; parking on pavements, taking in bins, cutting back hedges and picking up dog litter/litter. - Letters to parents of children attending village schools, to address dangerous driving and parking around school drop-off and pick-up. Working with NYCC and their latest strategy to tackle this. | EH |
| <p>July 19 - Our Southern CEF Disability Action Group has been going from strength to strength. Just this month we welcome two new members to the group. Most recently we have been working on our 'access to local village shops' project. This project has been about identifying ways to support local village shops to improve access for everyone within the community. Specifically focusing on disability access. We have delivered letters to, and spoken with, every village shop in the Southern area including, takeaways, hairdressers etc. These letters have included a cover letter explaining who we are and asking shops to consider their accessibility. We have made sure to congratulate them and thank them on providing an invaluable service. We have included the Selby district disability forum 'top tips for businesses' guide, which the action group have helped to create. We also included a feedback form, so that businesses can let us know how they were doing and ask for disability training should they need some.</p> <p>The other project we have started to focus on is our 'public transport' project. The group identified that public transport providers often struggle to deliver an accessible and inclusive service. Having begun to write a 'top tips guide for public transport service providers', the group have now decided to try and roll out a public transport survey, throughout the district, to get as many opinions as possible, in order to action change and influence transport providers.</p> <p>Other areas the group continues to focus on include; supporting local parish councils with on-going localised issues, and working with North Yorkshire county council and local schools on transport and parking issues around school drop-off and pick up times.</p> <p>We have been thrilled by how we have managed to stretch the funding for this project. We will be able to offer more sessions than expected and are looking at future funding options now, to secure the sustainability of this much need action group.</p> | EH |
| <p>Oct 19 – the group continues to meet and explore key issues for residents across the Southern area. Representatives helped to secure the development of a similar group in the Western area.</p> <p>We plan to do a future forum in the new year to share everything we have been</p> | |

| working on throughout the project. We are now in the process of exploring sustainability – linked to our other action groups across the District. We are currently working on a public transport consultation, looking to make transport in the area more accessible for everyone. | |
