

Tadcaster & Villages CEF Annual Impact Report 2018-19

Tadcaster & Villages
Community Engagement Forum

Chair's Foreword

It continues to be a pleasure being the Chair of the Tadcaster and Villages CEF.

We have had another busy year holding a range of themed events and funding a diverse range of community projects and initiatives.

I am particularly delighted at the successful impact we have made with the establishment of a U3A for the CEF area, following a successful themed event on Adult Learning.

We have continued to champion increased partnership work providing opportunities for residents to be kept informed of new community services and practical advice to address the issues we face.

Cllr Richard Sweeting, Chair, Tadcaster and Villages CEF Partnership Board

Introduction

Community Engagement Forums are a collaboration between a range of partners including the District Council, County Council, Town council, Parish Councils, Police, Fire and Rescue Service, local businesses and community groups along with individual residents. Our aim is to encourage, assist and empower the local community to create the environment and services they would like and need.

The Tadcaster & Villages Community Engagement Forum covers the following parishes: Acaster Selby; Appleton Roebuck; Barkston Ash; Biggin; Bilbrough; Bolton Percy; Catterton; Church Fenton; Colton; Grimston; Healaugh; Kirby Wharfe with North Milford; Lead; Little Fenton; Newton Kyme cum Toulston; Oxtun; Saxton with Scarthingwell; Steeton; Stutton with Hazlewood; Tadcaster; Towton; and Ulleskelf.

Partnership Board work

During the year the Partnership Board has been addressing issues raised in the Community Development Plan. This included the funding and development of a range of activities, services and events.

Grants Awarded and Projects Developed

Across the year a total of £12,649 has been awarded to a range of projects and activities to further develop the ambitions of the Community Development Plan.

2434 (CHURCH FENTON) SQUADRON, ROYAL AIR FORCE AIR CADETS £999

To install a public access defibrillator at the site of the squadron.

MOOR LANE VERGES, TADCASTER, £1,250

For information boards for the flower-rich grass verges at Moor Lane, Tadcaster wide variety of flowers on the verges at Moor Lane, especially rare species such as the bee orchid.

1ST TADCASTER SCOUT GROUP £2,400

Repairs to Tadcaster Scouts Minibus and for external hard landscape at the Scout Hut.

We have been able to repair our minibus so that we can continue to use this to transport scouts cubs beavers and equipment to and from camps and other activities.

The completion of the toilet refurbishment has galvanised us to pursue further improvements to the facilities at the scout hut.

Widening the use of the scout hut as a community venue supports the ongoing development of both the Scouts and the Stutton playgroup along with the active inclusion of senior citizens in activities at the play group to promote community cohesion and understanding

CHURCH FENTON COMMUNITY HUB, 'WHITE HORSE PUB', £5,000

To assist with the development of the former pub to be developed as a Community Hub.

TADCASTER MAGNETS CARNIVAL COMMITTEE, 'TADCASTER CARNIVAL', £1,000

To contribute towards this community event.

TADCASTER PCC (THE PAROCHIAL CHURCH COUNCIL OF ST MARY'S CHURCH) £2,000

For flexible seating and tables for St Mary's Church, Tadcaster. It was hoped that the new seating would allow the church to use space more flexibly and efficiently, and allow better access for more community groups and organisations.

Impact

Stutton Social Committee

Projector and PA system

This grant has made a big difference to what Stutton Social Committee has been able to provide for people of the Parish and those further afield. The equipment has been extremely beneficial to us. We feel very much encouraged to make future applications as and when the right projects arise. Thank you very much for your support on this occasion.

2434 Squadron Air Cadets

Support to purchase a new minibus

The minibus has enabled Cadets to attend a wider range of events and activities. We have also been able to recruit more Cadet and volunteer staff members

Friends of Tadcaster Library

Tadcaster Library Community Development

We have been able to work with a small number of volunteers who we are encouraging to take on further roles, organise events etc. Our new staff member is also helping us with social media and promotion of the library services and activities.

Tadcaster Rainbows, Brownies and Guides

Girl Guide Flags

Our original application for assistance with funding was due to opening two new Rainbow units in Tadcaster, Rainbows are girls aged 5-7yrs. Rainbow units were first introduced 25 years ago but until recently they did not have unit flags but processed with a small 'mascot' doll called Olivia. The Rainbows attended Remembrance Parade in Tadcaster for the first time last November and several of them asked why they didn't have a flag, they were very keen to take part and practised their marching with great enthusiasm.

We began to look at how out dated our Brownie and Guide flags were, the girls are all wearing the new uniform which are bright and modern and agreed we should look at replacing all our flags.

With so many extra-curricular activities available to young people these days we need to stay current and appealing to ensure our future.

Our new flags are modern and appeal to our young people. Feedback from the girls has been very positive;

'They're nice!'

'The new flags are bright!'

'I love the Rainbow flag!'

'They don't smell like the old ones!'

'I would like to carry it!'

All sections of Girl Guiding will be able to take part in civic services and parades.

Kelcbar Centre – Tadcaster

Dementia Friendly Café

There was a request from several local people in Tadcaster, who are either afflicted with or are carers for people effected with Dementia to have a place to meet within Tadcaster whereby carers and sufferers can meet, have a social time and to have a safe environment for themselves and loved ones.

The management committee of Kelcbar Social Centre took up the challenge to provide a place to meet. With the help of a grant from the Community Engagement Forum the management committee set up a weekly café on a Wednesday to meet the need of these local people, are providing volunteers to help with the café, as well as a light meal and refreshments throughout the café operating times.

Friends of Riverside School

Stone Circle Restoration Project

This has preserved a piece of history for the town and is being used by the school, especially for community events.

St Mary's, Church, Tadcaster

Replacement of Church Tower Floodlights

This iconic part of the town can now be seen throughout the day in both daylight and at night, a symbol of the history and the hope of the town.

Tadcaster Stingrays

Coach Funding

The growth of the Stingrays with the help of Jemimas' Coaching has seen a growth in opportunity for many younger swimmers with disabilities.

This is something that was sadly lacking in the area. We now have 3 swimming classes for those with Special Needs within the Junior Lesson Programme for those between the ages of 4 years and 11 years with the Stingrays available when they become confident in water and are a little older.

By having Jemima as a qualified coach, and the help of some volunteers who have expressed a wish to help with Stingrays, the continuation of the group is now assured.

Stutton Playgroup

Relocation costs following the move

In a practical sense we have now got a secure setting which meets the safeguarding requirements for Early Years and storage for our equipment.

Our children are particularly enjoying our larger outdoor area and the wealth of opportunities this offers for outdoor (and messy) play. This has also enhanced the environment within the Scout Hut for other users.

Tadcaster Gateways Project

To provide a 2 sleeper high bed in line with the two flower beds at the entrance to Station Road. This has made a wonderful addition in improving the vibrancy of a main entrance into Tadcaster and encouraged local businesses and residents to work together to maintain this new feature.

St John's Church Kirkby Wharfe

Window Restoration Project

There have been several outcomes:

- the successful completion of the work which has greatly enhanced the appearance of the church by bringing in full daylight through two of the main windows and removing green mould and damp ingress from one window.
- Strengthening of the local community's interest in the church and commitment to its restoration; this was shown by a very large support from a fundraising walk by three Ulleskelf people and a large participation in a fund raising event in December 2017. The CEF support added to the feeling of community backing.
- A new commitment to making the church more visible and tied to its benefice, by two recent PCC decisions - to open the church on Heritage Days and to set aside £500 a year for charitable giving to the needy in Tadcaster benefice.

Tadcaster Riverside Project

The flower bed will now become an integral part of the riverside and compliment the Riverside Project. The delivery of the Riverside Project in 2019 will promote Tadcaster bringing families from Tadcaster and surrounding villages to the Riverside. The increased footfall will have a positive impact on local businesses and the Town.

Public Forums

During the year 4 public meetings were held providing the opportunities for local residents to find out more about local initiatives.
