

Selby District Disability Forum (SDDF) work together to look at how to make life better for people with disabilities in the local area. Most members have health conditions or disabilities, so are 'experts by experience'

We will be talking about our local Southern CEF Disability Action Group covering how we;

- bring local people together
- encourage local people to think about how actions or physical barriers can affect the everyday life of those with disabilities
- promote equal access for all by finding solutions to support the local community to improve
- develop and deliver projects locally and throughout the district to address identified issues

Disabled people have the right to full participation in society. SDDF works to ensure equal access for all throughout the district. Everyone can help to make that happen.

What is the Community Engagement Forum?

Community Engagement Forums are public meetings at which you can raise any concern or make any comment about your local area and your local services.

The meetings are a chance to speak directly to the people who deliver your local services, for example policing, street cleaning and road safety.

The Partnership Board is made up of District, County, Town, and Parish Councillors, and Community Activists.

What is the Community Fund?

The CEF receives an annual budget that it can distribute to groups and organisations within the area. There are two types of funding available; grant funding and project funding.

This is a wonderful opportunity to develop new ideas, purchase essential equipment or help to fund community initiatives. Assistance is available to help you plan and complete your application.

How do you apply?

You can find all the relevant information at www.selby.gov.uk/southern-area-cef

Once completed, please email it to cefadmin@selby.gov.uk

If you need any assistance, or advice, when making an application please contact our Development Officer, Chris Hailey-Norris at chris@selbydistrictavs.org.uk
