

11.1 Proposed by Councillors John McCartney, Mary McCartney, Duggan, Franks, Eleanor Jordan, Mike Jordan, Mackay, Nichols, Packham, Jennifer Shaw-Wright, Steve Shaw-Wright, Welburn and Welch:

That this Full Council agrees that Selby District Council should move from an Executive Structure to a modern Committee based structure that recognises the primacy of the Full Council and in which every elected Councillor plays a full and meaningful part in the Council decision making process.

That a Working Party under the leadership of Chairman of the Scrutiny Committee, working with senior officers, is tasked with putting forward recommendations to this Full Council that enable the changes to occur as soon as possible.
