

**End of project impact report**

**Organisation Details**

North. Duffield and skipwith  
Name: playing field association  
Address: YORK ROAD  
North Duffield  
Selby  
Postcode: YO8 5RU

**Project Details**

Description: sports flood lighting and CCTV system  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
Contact Name: PAULINE JULIAN HALL Tel: \_\_\_\_\_

**IMPACT REPORT FOR PERIOD** 1-9-17 **TO** 25-12-17

**Q1 In no more than 500 words please outline the key outcomes of your project.**

The CCTV cameras have been in use since September, in this time we have seen  
No acts of Vandalism  
No acts of antisocial behaviour  
Increase in confidence in using the areas at dusk.  
we expect an increase in use of the playing field in the summer months.  
we have had comments on people feeling safer.

**Q2 In no more than 500 words please demonstrate how the project has met the Community Development Plan objectives that were identified in the original application for funding.**

In the application we identified objectives such as increase in use and reduction of crime  
since installation there has been no reports of crime including Vandalism  
we expect an increase in use of the playing field once the flood lights are installed and  
on lighter evenings

**Q3 In no more than 250 words please give details of any additional benefits or objectives that the project has met that were not anticipated/ outlined in the original application for funding.**

The CC-TV cameras have helped more people feel safe in the field and play area and less anxious of finding crime being committed. We did not know people would worry about this. People worry about reporting incidents for fear they will be blamed and targeted.

**Any other comments on the project and its success:**

We are waiting for the flood lighting which will be a good test on having high value and more easily damaged equipment in the playing field. We noted that Barby recently saw their defibrillator damaged maliciously.
